

Draw back the curtain.

A song of optimism for things in general, and Scotland in particular.

Draw back the curtain;
Let the dawn in through the gless.
Draw back the curtain,
Come stir yersel tae dress.
 Draw back the curtain.

Draw back the curtain;
See, the sun begins tae show.
Draw back the curtain,
Feast yer een upon its glow.
 Draw back the curtain.

Draw back the curtain;
Let pleasure come or pain.
Draw back the curtain,
This day is aw yer ain.
 Draw back the curtain.

Draw back the curtain;
See Scotland in her dawn.
Draw back the curtain,
It's you will help her on.
 Draw back the curtain.
