

Dae ye hae a hero?

Personally, my first reaction has usually been to seek the feet of clay.

Dae ye hae a hero?
Some admirable guy?
If ye hae a hero
Then I wuid ask ye why.

What is it in yer hero
Makes a better man than you?
When ye think sae o yer hero
Are ye shair it's really true?

Juist bear in mind yer hero
May be strivin tae impress,
An atween you an yer hero
Ye may no be ony less.

What is it in yer hero
Ye find worthy o yer praise?
And are ye shair yer hero's
No a wolf in hero's claes?

Ye should aye try tae steer clear o
Things that winnae serve ye well.
Ye may emulate a hero,
Or try thinkin for yersel.
