

## Open tae suggestions.

Well, sometimes the question “What’s the point?” does come to mind.

Time passes, an will onward flow  
– that raises mony questions.

Folk ask “Where did the good times go?”

I’m open tae suggestions.

(Repeat last two lines of each verse.)

The years flee by, as we aw ken,  
an long gone are the best yins.

Will their like ever come again?

I’m open tae suggestions.

There’s mony losers in life’s game.

Dead lucky are the blessed yins!

Sae why was I no yin o thaim?

I’m open tae suggestions.

For wrongs I’ve duin aw through the years

(baith hidden an confessed yins),

should I smile or brek doon in tears?

I’m open tae suggestions.

Sae what conclusions can I draw

in answer tae life’s questions?

I’m shair the answer’s “Nane ataw!”

but I’m open tae suggestions.
